I am second year student in SRMIST KTR campus. I am interested in coding and looking forward to face challenges and learn something new in my life.

EDUCATION

2023
CREATIVES ASSOCIATE- CODING NINJAS SRM CLUB
I have learned UI/UX designing and video editing. Currently I am the associate of coding ninjas srm club and contributed to making a lot of posters and brochures.

2022
HIGH SCHOOL DEGREE, NAVY CHILDREN SCHOOL KOCHI
I achieved 92 percentage in class XII in PCM with computer science. I am learning coding from past 2 years, and I have basic knowledge in python.

2020
MATRICULATION, NAVY CHILDREN SCHOOL KOCHI
I achieved 92.4 percentage in class X and after that I decided to study computer science and I got into the field of coding.

SKILLS

- Basic knowledge in Python, C and C++.
- I have really good ideas in designing.
- UI/UX Designer.
- Learning HTML and CSS.

ACTIVITIES

I am currently learning DSA and I like to play games; I am good at basketball, and I have a pleasing personality. I am also good at learning new things and grasping new information. I am always ready to face new challenges in my life as they contribute to the growth of my own skill set. I am good at managing people and assigning the required task to the required person based on their skill set.
